I seek a printed paper copy of all FOIA requests filed to the EPA within the time period of January & February 2016. I agree that the redaction of personal identity information may be removed from the FOIA request. I am not looking for any EPA response to these filed FOIAs.

I request a fee waiver as this should fall under the 100 pages free of charge. I request it be expedited.

Thank you very much.

This request is made pursuant to the provisions of the Freedom Of Information Act at (5.U.S.C. § 552) and the Privacy Act (5 USC §552a(d)(1) for full disclosure & release of all files, records, data and/or information maintained by your agency, as indicated above or otherwise listed. As you know, The Act permits your agency to waive fees when the release of the information is considered as being in the public's best interest because it is likely to contribute significantly to public understanding of the operations or activities of the Government and is not primarily in the commercial interest of the requester and I hereby request that any fees be waived.

If all or any part of this request is denied, Please cite the specific exemption(s) which you think justifies your refusal to release the requested information & inform me of the appeal procedures available to me.

I would appreciate your handling this request as quickly as possible and I look forward to hearing from you within twenty (20) days as the Statute Stipulates. This communication serves as written notice that should your agency not locate, copy & tender to me the requested FOIA documents within the twenty (20) business days to respond, I will consider the failure to produce said documents to be a denial of my FOIA request & I will then have the right to sue in Federal court to obtain the requested documents.

Thank you.

Sincerely,

CKeys
